"We have been **working closely with Live Gemini** to develop a high Impact media driven campaign, which has proved highly effective In raising **dual brand awareness**, leading to a number of fully subscribed and successfully co-hosted events. These have promoted **The Daily Sport's** business mix and Live Gemini brand, both physically and In the digital media space. In a short space of time, Live Gemini has seen the launch of **The UK Glamour Awards** series of co-branded events, which have provided a valuable contribution Into the Daily Sport stable. I see this project only going one way, and **that is up.**"

Hi Mario. Congratulations on the success of your recent events. Heard and seen nothing but good things about your events, you may well be the one to carry the industry . I was out of my depth doing these events we did for 5 years previously anyway so its great that you have scored big with this! as cant compete with what you achieved this year! 😊😄

- UK Adult Producers

Honestly I had great time. Still blown away with how things have changed for me. I was there last year as relatively a nobody, and this year was totally different. Had i not come i would not realise my growth!

- Tony Rope

SPEARMINT RHINO GENTLEMEN'S CLUB

"As a **worldwide recognised brand** with club locations around the globe, we congratulate newcomer **Live Gemini** for an exceptional co-hosted event last autumn. This was in fact one of our most successful events generating a **wealth of exposure** and bringing the London flagship venue a hugely successful event, proving to be both a strong physical and perhaps more importantly providing a **strong digital footprint** reinforcing our brand. Undoubtedly, this success will lead to future collaborations with Live Gemini and we look forward to **envolving this relationship**. Great work Live Gemini!"

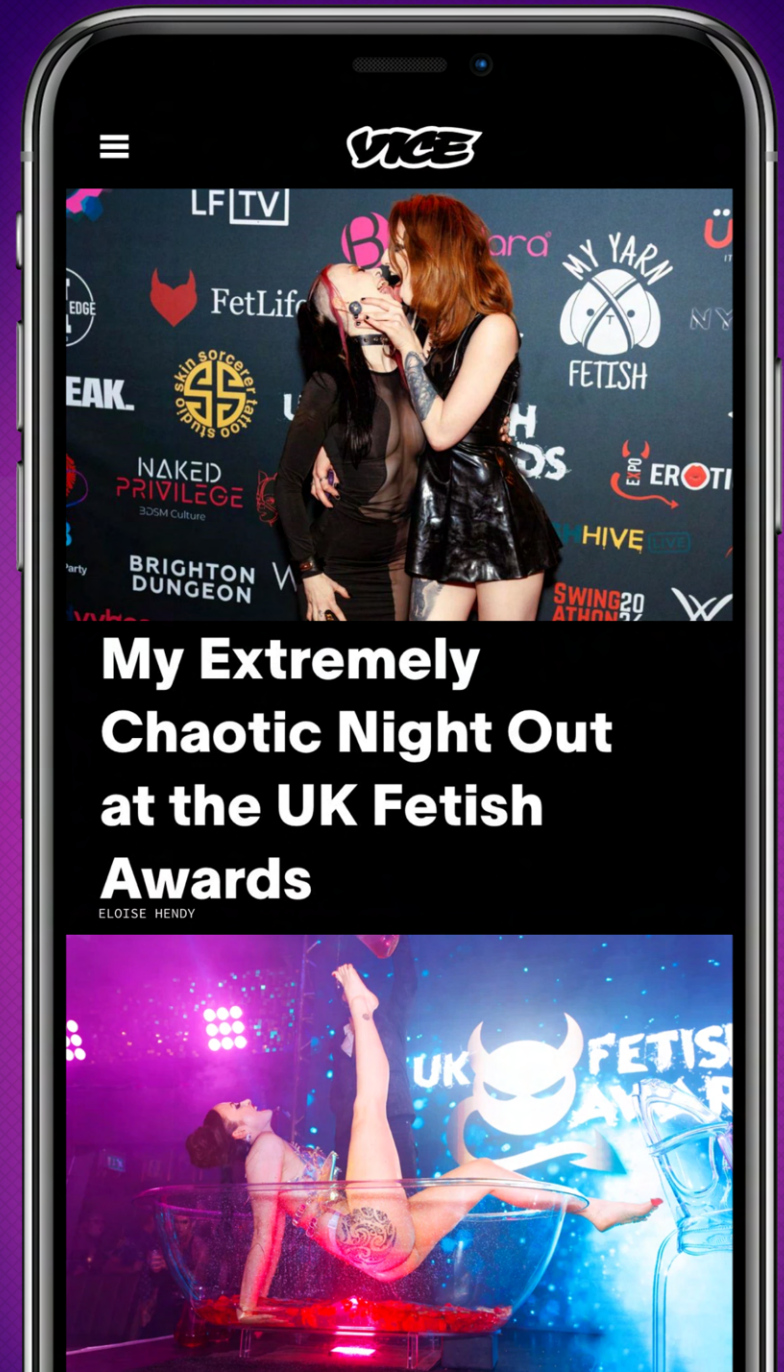

Jeremy Nargi - Marketing Director Spearmint Rhino Worldwide

"Known as **“the kinkiest awards party of the year”**, the UK Fetish Awards were created to celebrate diversity in the world of kink, support fetish workers, and **help break down the taboos** surrounding BDSM. Basically, it's like the BRIT Awards, but with fire play and aerial hair hanging instead of performances by Adele.

I've **been invited to this year's party** by Countess Diamond, a professional dominatrix who will be interviewing all of tonight's winners. **“I want a body like that,”** she tells me huskily, as, on stage, a woman in a silver body harness throws her legs over a **masked man's shoulders**. **“I've had two kids though,”** she laughs. Well, I've had none, and I wouldn't mind a body like that either."

Daily Mail

"Wayne Lineker got **very hands on** with a **busty Jessica Alves** as he attended the **UK Glamour Awards** on Wednesday night.

The club owner, 61, made a **boozy appearance** at the event where he couldn't keep his hands off the **Brazilian star**.

Jessica put on a **busty display** in a racy red mini dress as she sat in a booth with an over-excited Wayne. Jessica appeared to be **having a fun night** as she chatted to the **Celebs Go Dating** star and planted a kiss on his cheek."
